

Linux: Installation, Configuration and Command Line Basics (Paperback)

Filesize: 8.52 MB

Reviews

This pdf is fantastic. It really is basic but shocks inside the 50 % in the pdf. I realized this pdf from my i and dad encouraged this pdf to discover.

(Hunter Witting)

Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. ?? Get the Kindle version FREE when purchasing the Paperback! ??Learn How to Set Up and Configure Linux from Scratch!This book has been created to guide you through your very first steps in the Linux environment, whether you are a complete novice or need an in-depth refresher in Linux. Linux has become one of the most popular open source programs in the world, with capabilities that rival the best paid operating systems on the market. Due to its high flexibility and stability, it is used for text processing, graphic design, desktop publishing, calculations, communication, and even interfaces for appliances. From movie making and engineering, to military and astronautics, Linux is used everywhere. This book takes a detailed look at the Linux diversity and history, installing and configuring a Linux system, as well as the infamous command line. It also addresses specific topics such as choosing a distribution, adding a graphical user interface, package management, navigating the filesystem and directories, partitioning, software selection, and using the help system. By the end of this book you will be able to set up and configure Linux from start to finish, and be able to use Linux at a proficient level. What This Book OffersMade for BeginnersThis book was written with the intention of being used by those who have very little to no experience in the Linux environment. Because of this every concept, command and step is discussed in meticulous detail to ensure you are able to thoroughly understand and implement it on your own. Complete Installation GuideWe take you step by step through setting up a Linux system from scratch, including screenshots for every step. This comprehensive installation guide also covers adding a Graphical User Interface, installing additional software,...
