" [Doesn't shy] away from the hard truths of Sotomayor's childhood . . . [and] discusses real-world issues like racism, privilege, and affirmative action." --The Washington Post Discover the inspiring life of Justice Sonia Sotomayor, the first Latina and third woman appointed to the United States Supreme Court, in this middle-grade adaptation of her bestselling adult memoir, *My Beloved World*. Includes an 8-page photo insert and a brief history of the Supreme Court. Sonia Sotomayor was just a girl when she dared to dream big. Her dream? To become a lawyer and a judge even though she'd never met one of either, and none lived in her neighborhood. Sonia did not let the hardships of her background--which included growing up in the rough housing projects of New York City's South Bronx, dealing with juvenile diabetes, coping with parents who argued and fought personal demons, and worrying about money--stand in her way. Always, she believed in herself. Her determination, along with guidance from generous mentors and the unwavering love of her extended Puerto Rican family, propelled her ever forward. Eventually, all of Sonia's hard work led to her appointment as an Associate Justice of the United States Supreme Court in 2009, a role that she has held ever since. Learn about Justice Sotomayor's rise and her amazing work as well as about the Supreme Court in this fascinating memoir that shows that no matter the obstacles, dreams can come true. A Kirkus Reviews Best Book of 2018! "People--I add children--who live in difficult circumstances need to know that happy endings are possible." --Justice Sonia Sotomayor on why she writes books (ABC News).
